

COLOPLAST HUNGARY (2017 and 2019)

In 2017 AlphaPlan entered Hungary for the first time with a FloorShaver contract with Coloplast, one of the leading manufacturers of Medical and Pharmaceutical products.

At AlphaPlan we believe it wasn't just the **speed of our operation** but the fact we offered a **very clean system**, allowing the VNA warehouse to be up and running in record time.

We have ensured that Coloplast deliver clean medical products from their warehouse in Hungary to facilities all over the world.

AlphaPlan ensures, we are not just Green but ... very Clean
